ABOUT THE SHOW

This is the most wonderful production of 'The Wonderful Wizard of Oz'!

Join Dorothy as she embarks on a magical voyage from dreary Kansas to the land of Oz...

Along the way she makes friends with an assortment of colourful characters and does battle with the Wicked Witch of the West and her Winged Monkey, Keith!

This original adaptation of Frank L Baum's magical story is fast-paced and very funny.

We have written and produced the show to appeal to every age range, from the youngest child in school to the oldest member of staff!

Multi-roling, slapstick humour, music, word-play and audience participation all combine to make this production fabulously fun for all.

If a live performance isn't possible for any reason we have a high-quality filmed version that can be streamed.

"Thank you for a wonderful morning, we have loved it. The children are full of excitement and beaming."

ABOUT THE COMPANY

Hobgoblin Theatre Company was formed in 2007 by Dan Ellis, Hannah Bowen and James Anthony out of a desire to create high-quality accessible theatre for children that had an educational focus.

Early shows focussed on the History curriculum.

The scope of Hobgoblin's work has broadened over the years to include Numeracy, Science and Literacy shows as well as a strong programme of Traditional Tales.

Hobgoblin shows are fast paced, funny and extremely engaging for all ages.

Our body of work now encompasses live shows in schools & theatres, outdoor touring, bespoke workshops and digital shows and resources.

We are adamant that we will continue to innovate as the company continues to grow.

"This is one of the best performances I have seen in recent years."

I have laughed so much in the last hour! A real tonic to all our staff and children."
