Join the animatronics at the opening of the world's most technologically advanced theme park.

Hunt like Stone Age man, trade with Bronze Age villagers and hang out with some Celts. What could possibly go wrong?

Sabotage, questionable disguises and NO dinosaurs in Hobgoblin's KS2 curriculum-based play that will get your kids laughing as they explore the topic of Prehistoric Britain.

This 60 minute play has been produced to directly support the Key Stage 2 study of Prehistoric Britain.

It's an interactive theatre in education piece that will involve the children in discussion with the actors to further their understanding and enjoyment of their Stone Age/Iron Age study.

ABOUT THE COMPANY

Hobgoblin Theatre Company was formed in 2007 by Dan Ellis, Hannah Bowen and James Anthony out of a desire to create high-quality accessible theatre for children that had an educational focus.

Early shows focussed on the History curriculum.

The scope of Hobgoblin's work has broadened over the years to include Numeracy, Science and Literacy shows as well as a strong programme of Traditional Tales.

Hobgoblin shows are fast paced, funny and extremely engaging for all ages.

Our body of work now encompasses live shows in schools & theatres, outdoor touring, bespoke workshops and digital shows and resources.

We are adamant that we will continue to innovate as the company continues to grow.

"Children had great fun this morning and have been able to share lots about their participation and new knowledge. Thank you!"

Great communication, thoroughly professional. The play was extremely well done. The content was in line with all of our learning objectives and was delivered in an incredibly fun and engaging way. The breakout sessions to gather student feedback were very valuable too.

Will definitely be recommending to our wider school. Thank you so much for an amazing morning.”

“Thank you again for another fabulous workshop experience with your company. Your enthusiasm is contagious and the knowledge you share with the children greatly supports their learning of our new topic.

Your interaction and behaviour management with our large group of children was excellent, and it was delightful to see them all eagerly participating in tasks together with your direction. A day to remember!”
