# ABOUT THE SHOW

Have you ever been “Down the Rabbit Hole”?

Join Alice as she takes part in the strangest game show EVER!

This original and inventive re-imagining of the classic story retains all of the familiar characters that children love while giving it a fun modern feel.

Music, mayhem and marvellous mad-cap madness make for a magical 60 minute show.

We have written and produced the show to appeal to every age range, from the youngest child in school to the oldest member of staff!

Multi-roling, slapstick humour, music, word-play and audience participation all combine to make this production fabulously fun for all.

If a live performance isn't possible for any reason we have a high-quality filmed version that can be streamed.

# ABOUT THE COMPANY

Hobgoblin Theatre Company was formed in 2007 by Dan Ellis, Hannah Bowen and James Anthony out of a desire to create high-quality accessible theatre for children that had an educational focus.

Early shows focussed on the History curriculum.

The scope of Hobgoblin's work has broadened over the years to include Numeracy, Science and Literacy shows as well as a strong programme of Traditional Tales.

Hobgoblin shows are fast paced, funny and extremely engaging for all ages.

Our body of work now encompasses live shows in schools & theatres, outdoor touring, bespoke workshops and digital shows and resources.

We are adamant that we will continue to innovate as the company continues to grow.
