ABOUT THE SHOW

When Freya's village is threatened with famine she decides to set off on a quest to find Sigurd's Treasure.

Through Freya's adventure we learn about Viking Life, both at home and on board a Viking Longboat.

As Freya journeys to Angleland we meet a host of interesting, and often funny, characters who bring the story to life while packing in plenty of facts about what it was like to live in Anglo-Saxon and Viking times.

This interactive play blends action and discussion to fully immerse the audience in the story.

As well as watching the play the children also get the chance to discuss the action they are watching in 'interactions' with the actors throughout the show.

The show is written & produced to support a Key Stage 2 study of Anglo-Saxons & Vikings.

If a live show isn't possible for any reason we have a high quality filmed version available for streaming.

"Overall a fabulous experience for our children, they all thoroughly enjoyed the morning and gave great feedback! Thank you so much for your time! We loved it!"

ABOUT THE COMPANY

Hobgoblin Theatre Company was formed in 2007 by Dan Ellis, Hannah Bowen and James Anthony out of a desire to create high-quality accessible theatre for children that had an educational focus.

Early shows focussed on the History curriculum.

The scope of Hobgoblin's work has broadened over the years to include Numeracy, Science and Literacy shows as well as a strong programme of Traditional Tales.

Hobgoblin shows are fast paced, funny and extremely engaging for all ages.

Our body of work now encompasses live shows in schools & theatres, outdoor touring, bespoke workshops and digital shows and resources. We are adamant that we will continue to innovate as the company continues to grow.

"What a wonderful morning! Thank you so much for coming and sharing your talents with the children."

"As a teaching team it was lovely to see all of the children engaged and contributing to the discussions and the workshop."
